IMPORTANT DATES

Paper Submission: 15-SEP-2021 30 SEP 2021

Notification of Decision: 15 OCT 2021

**Author Registration & Submitting Camera Ready:
15 NOV 2021**

Call for Papers in Women in Engineering [WiE] Session

PATRON:

Amit Kumar Mishra, Bhubaneswar Institute of Technology, India

GENERAL CHAIRS:

Chandi Charan Rath, RDWU, India

Binod Kumar Pattanayak, S 'O' A DU, India

Hemant Kumar Rath, TCS Research & Innov. Lab, India

Chhabi Rani Panigrahi, S 'O' A DU, India

WOMEN IN ENGINEERING [WiE] CHAIRS:

Mamata Rath, Birla Global University, India

Sujata Pal, Indian Institute of Technology Ropar, India

Saswati Tripathy, Birla Global University, India

ORGANIZING CHAIR:

Bibudhendu Pati, RD Women's University, India

WEBSITE CHAIRS:

Subhashish Das Mohapatra, Agilink Technologies, Inc.

Swaraj Horree, UdM, Mauritius

PUBLICITY CHAIRS:

Roshan Ramlogun, UdM Mauritius

Ramasamy V, M.Kumarasamy College of Engg, India

Reza Hosenkhan, UdM Mauritius

ADVISORY COMMITTEE:

Prasant Mohapatra, Univ. of California, Davis, USA

Rajkumar Buyya, Univ. of Melbourne, Australia

Sudip Misra, IIT Kharagpur, India

Laxmi N. Bhuyan, Univ. of California, Riverside, USA

Tomohiko Taniguchi, Fujitsu Labs Ltd, Japan

Chandan Samantaray, Virginia State University, USA

Ashutosh Dutta, AT & T Lab, USA

Kuan-Ching Li, Providence University, Taiwan

Rajib Mall, IIT Kharagpur, India

The 6th edition of International Conference on Advanced Computing and Intelligent Engineering (ICACIE 2021), is organizing a one-day mini-conference, dedicated to Women in Engineering Track (WiE). This is part of the two-day international conference, technically sponsored by Springer, to be held between 23-24 December 2021 in virtual mode.

The aim of Women in Engineering Track (WiE) track is to technically inspire, engage and empower women engineers. This mini-conference track is designed for women researchers to assemble together and imbibe the spirit of being a SHE-techie. The goal is to provide opportunities to professional SHE-techies, belonging to a diverse sector such as industry, academia, private or public sectors, to build work-groups that fuel innovation, facilitate knowledge sharing and provide support through highly interactive sessions designed to foster discussion and collaboration. WiE focuses on providing leading-edge professional development for those SHE-techies, passionate in research. It is anticipated to be a great platform to share innovative research ideas and socially bond with several researchers and domain experts.

While we welcome Women in Engineering session in all areas of Advanced Computing & Intelligent Engineering, we are particularly interested in focused research topics, specifically those related to the following innovation themes:

- Artificial Intelligence
- Data Analytics
- Market Analytics
- Business Intelligence
- Recommender Systems

ELIGIBILITY FOR PARTICIPATION IN THE 'WiE MINI CONFERENCE':

- ✓ Faculty, Industry Personnel, Research scholars or Students' of BE/B.Tech/MTech in Computer Science, Information Technology, or any related branches.
- ✓ Faculty, Industry Personnel or Students' from MCA/M.Sc. will be considered as equivalent to undergraduate in engineering.

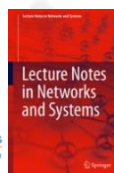

INSTRUCTION TO THE AUTHORS FOR PREPARING WiE PAPER:

The first author should be a female. Also, at least one of the female authors of each accepted paper must attend the conference and present the paper in person. The Call for Papers for WiE Track is the same as that for the main conference theme and the papers should be submitted through WiE Track on EasyChair.

All accepted papers of ICACIE 2021 will be published in Lecture Notes in Networks and Systems (LNNS) series of Springer (SCOPUS indexed). Some articles from the conference will be invited for extension to be re-reviewed for inclusion in SCI/SCOPUS/DBLP indexed Journals.

All accepted papers of Women in Engineering Session will be published in ICACIE 2021 proceeding, LNNS Series of Springer (indexed in SCOPUS, Web of Science, Google Scholar etc.)
